Soak in the Culture

As you walk around the stalls at traditional fairs, you capture the real spirit of culture in Rajasthan. The jingle of camel bells, excitement amongst cattle traders, liveliness of folk, dancers and pride with which Rajasthani men show off their moustaches - you experience culture unplugged.

Colourful dances, soul-stirring music, processions, traditional art, lovely ornaments and high-spirited people form the soul of this land's art & culture.

Take a step in the Wild

Your ride through Ranthambore may just give you goose bumps, as you are welcomed by the roar of the majestic Indian Tiger. While the Blackbucks - one of the most beautiful antelopes in the world - will greet you in the open fields of the Tal Chhapar Sanctuary.

As you go around Keoladeo National Park, Bharatpur chasing and taking snapshots of the migratory birds, you come closer to nature.

Go on an Adventure

If adrenaline-rushing activities define adventure for you, then the adventure has just begun. From trekking in the heights of Mount Abu, to sightseeing from the sky in the hot air balloon, Elephant ride at Amber and Jeep Safari at many places, Rajasthan gives you every reason to let loose.

The Camel Safari through the sun-kissed dunes of desert will leave you equally amazed.
